## Yisro, Sicha 1

— By Mrs. Chanie Gourarie, Chabad Toms River

We would think that the excitement of the Yidden would vary,  
When it came time to receive the Torah so holy,  
But although there were many different levels of Yidden,  
Something incredible did happen.

At the place of Har Sinai only,  
They stopped fighting and complaining totally.  
The deepest part of their Neshamos were revealed for all to see,  
They experienced how all Jews are part of Hashem's reality.

This caused them to have complete unity,  
Like one man with one heart, the Jews were considered to be.  
The result was that all their hearts were equally on fire,  
To receive the Torah they all had the same desire.

The Yidden were united because of who we are,  
Which is different by far,  
From the unity of the Egyptian nation,  
Who were united only for a mission.

The Egyptians were as wicked as could be,  
We see this from the fact that the order is switched in Rashi,  
"With one heart, as one man,"  
To chase after the Jews was the Egyptian plan.

Usually people's feelings vary,  
But in this case, the hatred was felt equally,  
Since they hated the Jews in their hearts to the same degree,  
It caused them to be like one man and have national unity!

Before the giving of the Torah the Egyptians tried to copy,  
The model of Jewish unity,  
But it wasn't possible because the secret to Jewish unity,  
Is the ability to rise above and realize that Hashem is the source of every body.

But after the Torah was given,  
Between earth and heaven Hashem took away the separation,  
Which made it a possibility,  
For even the other nations to recognize Hashem's unity.

Therefore part of our mission, is to teach every nation,  
To keep the seven laws that to Noach were given,  
Not because it is good for them,  
But because it is the will of Hashem!

When we endeavor,  
To teach the world that there is only one creator,  
We will merit the coming of Moshiach speedily,  
When the whole world will recognize Hashem's unity.
