

BH. DEVARIM 18b "MOSHE SAID (DEVARIM) ON HIS OWN ACCORD"

Two type of intermediaries:

"Passing through"

Example 1: Finger transmitting ideas in writing

Example 2: Funnel

First 4 Books

Seemingly 4 Books are greater

Received on faith

Written Torah:
Blessing made even without comprehension

Hashem's Light
Weakens with distance

Example: Soul's IMPACT on various organs: varies

"General Chassidus"

"Processed"

Teacher processing idea for student

Transformers

Book of Devarim

Why the change?

Internalized intellectually

Oral Torah:
Blessing made only when comprehended

Still, seems huge step down?! (e.g. transformer)

Remains unchanged: e.g. capsule

Essence of Hashem's Light
Remains potent & unchanged

Soul's LIFE throughout body: equal

Chabad Chassidus
