

BH. SICHA BESHALACH 4 Vol 16 – Eiruv Tavshilin

When to eat food of Eiruv?

	<u>Eiruv Tavshilin</u>	<u>Eiruv Chatzeiros</u>
Maharil & Maharshal	May eat Friday evening	May eat Friday evening
(14 & 16 century “poskim”)	Best to wait until 3rd meal	Best to wait until 3rd meal
	Good to use a mitzvah for more mitzvahs	Good to use a mitzvah for more mitzvahs
Alter Rebbe’s Code of Law	May eat Friday evening	May eat Friday evening
	Best to wait until 3rd meal	Best to wait until Shabbat morning meal

Questions:

- 1. Why Alter Rebbe differentiates between two Eiruvim?**
- 2. Why is 3rd meal optimum time? It isn’t even a mitzvah obligation to eat bread.**

Reasons for Eiruv Tavshilin (Talmud):

Rav Ashi

Reminder of prohibition to cook on Yom Tov for weekday

To honor Yom Tov

Halachic difference:

Eiruv can be prepared before Erev Yom Tov

Negative

Verses “hinting” ET:

“Bake that which has been baked...”

Alter Rebbe: One may eat Eiruv Friday evening....

Answers both questions above!

Rava

Reminder to save good food for Shabbos

To honor Shabbos

Eiruv must be prepared Erev Yom Tov

Positive

“Remember day of Shabbos”

...but better is to hold until 3rd meal
