## Shavuot, Sicha 2

— By Mrs. Chanie Gourarie, Chabad Toms River

Not only did Hashem give us His Torah as a gift,  
But on Shavuot, Hashem gave us a lift,  
He raised us above all humanity,  
And gave us the privilege of being His royal family.

"Mamleches Koihanim" are we,  
Over nature, we have authority,  
Just like a king is not restricted by anything,  
Nothing can get in the way of my Mitzvah when I view myself as a king.

In order to access and feel our royalty,  
Hashem gave us three,  
Great leaders who we see clearly,  
Were truly kings in their time in history.

The first king is Moshe Rabeinu who brought the Torah down to us on Shavuot day,  
Then comes Dovid Hamelech and the Baal Shem Tov who on Shavuot passed away,  
In their type of leadership a first they each are,  
In our Avodas Hashem, they help us reach our potential and go far.

The first key,  
To serving Hashem with royalty,  
Is through Torah study,  
Which is above the world and helps us rise above our reality.

From Moshe Rabeinu we get this power,  
 Because he led his people in a supernatural way every hour,  
 From splitting the sea to the man that fell from the sky,  
 His people were removed from the world because of their experience at Har Sinai.

From Dovid Hamelech who was the first king in his dynasty,  
 We get the second power to serve Hashem wholeheartedly,  
 Which is to Daven and say Tehillim,  
 Which is filled with the miracles that Dovid Hamelech has written.

Dovid Hamelech was the king when the Yidden were settled in the land already,  
 They worked hard but saw clearly that their sustenance came from Hashem only,  
 Dovid Hamelech teaches us that when our royalty we don't forget,  
 We can ask Hashem to fulfill all of our needs and immediately they will be met.

From the Baal Shem Tov who was the first to reveal the Chassidus light,  
 To brighten up the darkness of this Galus night,  
 We see how infinite is the ability of a Jew,  
 He rises above Galus and transforms the world into a palace for Hashem too.

The Baal Shem Tov teaches us to see that Hashem is the only reality,  
 And that Hashem recreates the world constantly,  
 About me and you He cares deeply,  
 And He takes care of us at every moment of our lives so lovingly.

The Baal Shem Tov awakens us to realize that we are part of the royal family,  
 It gives us the power to make this world so holy,  
 Until nothing will get in the way,  
 Of bringing Moshiach today!
