Pinchas, Sicha 1

— By Mrs. Chanie Gourarie, Chabad Toms River

If you see Pinchas in your dream, the Gemara does say,
A wonder will come your way.
Rashi explains that the wonder will come,
Because for Pinchas, this was done.

However, when we look into the story, we see,
When Pinchas acted in a zealous way, the miracles were many.
If for Pinchas many miracles did come,
Then why does the dreamer just get one?

Why does the Gemara say wonder instead of miracle here?
Let's break it down and make it clear.
A miracle is when nature takes a pause,
Something unusual, beyond its laws.

But a wonder is when Hashem operates from a level that is higher,
There is no need to keep breaking nature,
Because in the new way of operating,
Miracles are a natural thing.

For Pinchas, Hashem didn't just give miracles or wonders, one, two or three,
But rather, Hashem acted in a state of wonder continuously.
One who dreams about Pinchas will also get to be in a state of wonder,
A state of wonder is greater than many wonders we discover.

Pinchas merited to be treated in this manner,
Because Hashem repays measure for measure.
Mesiras Nefesh was his core, so to a wonder it did compare,
To have Mesiras Nefesh came naturally to him every day of the year.

In the week of Parshas Pinchas, from jail, the Friediker Rebbe was set free,
He acted like Pinchas throughout his leadership, in decades three.
Whether it be in Russia, Latvia or the USA,
Mesiras Nefesh was his core,
He did everything with Mesiras Nefesh, not just when the opportunity came to his door.

The lesson for you and me,
Is that we can perform wonders and make Hashem so happy,
When going beyond our nature is the normal thing to do,
When we act in this way, we will immediately merit Moshiach Tzidkeinu!
