

The most repeated LFIB words

insight, characters, merchant, prosperous, surrounding
Mysterious, sources, church, gaps
Depict, scenes, landscapes, portraits
Patterns, contract, modes
politician, paraphrase, deprivation, courts
nutrition, inequality, improvements, conditionality
thinkers, keen, published, redistribution
attend, counterparts, models, urban
incomplete, caused, calculations, principle, approximately
struggling, shrinking, ages, dig
atoms, electrical, rockets, aimed
surrounding, autonomy, unique, secular, medieval
precariously, porous, astronomy, bizarre, manifested
journalist, influential, conflicts, fright
tropical, summarized, physician, constitutions
lucrative, wool, commodity, kilometers, range
precious, nurture, code, factors
skillfully, craftsman, mouth, amount, meaning
admissions, timetabling, introduced, tutors, crashed, screen
distribution, tropical, populations, frequently, snake, persuaded
boredom, strategic, acquire, knowledgeable
normal, access, fortunes, networking
perceptions, acoustics, crude, awareness, regulations, city-dwellers
plants, coal, releases, ingested, chain, insects
numerous, superiority, hierarchy, basis, incompatible
collaborate, descended, brilliantly, comply, aptitude
atmosphere, partnership, transform, proportion, fungi
ethnographic, entrepreneurs, advance, eager, feature
honey-colored, beech, auditorium, curved, adjustable
mammals, seals, boundaries, plankton, endangered
notion, implications, eventually, replicate, phenomenal, eradication
solution, tend, vulnerable, osteoporosis, miserable, vicious
manufactured, dozens, mergers, takeovers, corporations, exert
strange, disoriented, jet lag, surroundings, dispiriting, contemporary
relevance, article, handedness, struck, sheer, investigation, persuaded
enormous, previous, crushed, challenge, platforms ,extendable

tradition, incorporated, seaweed, ingredient, improvement, glutamate
pedestrian, presence, entrance, suspense impression
globally, Ethnographic, administrators, colleagues, exchanging, spreadsheets
crumbly, inadequate, breed, terrain, devoid ,pioneer, increasingly
inconsistency, launched, aimed, involved, industriousness, mock
organic, guidelines, groceries, rigid, nutritional
dinosaurs, destructive, ingredients, billiards, collide
devastation, observations, tremors, magnitude
revoked, accusation, assaulted, oversight
potentially, aluminium, fractures, flakes
bacteria, pandemic, biosecurity, designed
tools, monetize, types, sensitive, wellness
digging, writings, existence, excavation
centuries , periods , perspective, chronological
knowledge, investigated, abandoned, forgery
times, reliable, banks, fertile
encounters, monitor, patterns, marks, stress, ensure, survival, dealing
environmental, quantities, destruction, electricity, approach
outlines, commercial, combined, medical, participate, vacation
importing, systems, survived, weapons, consume, demonstrates
ability, experienced, opposed, development, communicate
romantic , analyzed , recordings , concluded , contain , adopted , century
nearby, formed, massive, implying, pointed, detected, measurement, despite
responding, controlled, consistent, constant, crowed, occurred
represent, relationship, opinions, wearing, decreased, promoted, impact
creatures, limits, sessions, equivalent, exercise
disorders, treatment, muscles, receptors, substances, examined, channels
enhanced, associated, subjects, received, recognized, appreciated
places, concentrations, presented, surfaces, properties, investigate
capacity, conversatiosn, internal, realistic, exactly
estimate, domestic, reviewed, numbers, native, ongoing
physicians, commercial, journey, habitat, simulated, experienced, exposure
interior, Curiosity, conference, measuring, proving, complexity
ancient, discovered, supplies, medication, contained, inspired
familiar, design, required, number, pedestrian, tradition
wasting, primary, institutions, perspective, harvested
efforts, energy, drives, accumulation, resulting, consequences
behavior, involving, admit, interaction, promote, offered

chemicals, pollution, concluded, exposure, delivered
unpleasant, carry, infected, measures, experts, Eliminating, breeding
numerous, gathered, Assessing, substantially, Internal, physical, decades
undetectable, camera, engaged, background, caught, ignorance
huge, anniversary, facility, areas, astronauts, generation, converted, accessible
drilling, permission, currents, remains, primary, depths
destruction, pesticides, toxic, storage, submitted, penalties
satellite, existence, typical, companion, arrangement, comparable, percent, ordinary
reveal, organizational, connection, multiple, correlation, relative, evident
inaccurate, analyzed, chemical, medicinal, speculate, detective
influenced, movements, vitamins, reference, layout, awareness, realizing
convinced, evidence, witnesses, accuracy, suspects, memories, choosing
extend, sprayed, picked, breathes, respiration, bacteria, significantly
radiation, magnetic, physicist, solar, missions, measuring, complex
understanding, serves, medical, difficulties, stretched, connection, science
inexpensive, relevant, contributes, contain, biologically, tropical, degrees, safeguard
noticed, response, tracked, vaccine, previous, coordinate
allergies, emergency, substance, triggered, activates, similar
generous, cooperation, participant, invest, concluded, cultural, bringing
preventable, improvements, association, restrictions, opposition, institute, facilities, changes
behaviours, temptation, automatic, inconvenient, programming, motivates, options, targeted
changing, atmosphere, contributing, appears, expected, experience
ordered, fatigued, recognized, exercise, external
tropical, century, latitude, migrants, parasite, exposed, disease
chemistry, diagnosed, interaction, perceptions, devices
spectrum, particular, dust, journal, confirming
independence, pledged, strategy, differs, candidates, results
proven, capital, published, cumulative, congestion, environmentally, achievement
admit, messages, receptors, appearing, impressive, grilled
athletes, illnesses, infections, differences, element
viewpoint, performed, paintings, inspiring, positive, differ, experience
upgrading, current, privacy, Typically, inconsistent, experiments, memory
pregnant, dramatically, suffering, beneficial, demonstrate, functioning, signals
laboratory, exploring, deposits, sequence, landing
distracted, failing, emergency, incidents, texting, evidence, concentrating
mention, strategy, bacteria, examined, genetics, antibiotics, interactions, particular, arrangement
explosions, butterfly, deformed, offspring, exposing, considered, radiation
exercise, donating, perception, unexpected, volunteering, included, essay

dinosaurs, mission, designed, deflect, announced, foundation
consume, September, calories, obese, shape, equivalent
Calcium, electricity, investigators, stressed, mechanism, therapy
delivering, necessarily, temperatures, organic, complexity, induce, direction, freeze
Protein, apart, determines, structure, translation, similar, comparable
psychological, possessions, ownership, significantly, correlated, perception
signatures, likelihood, insurance, fabricate, rationalize, chronic, stretching
healthful, classified, beverages, especially, epidemic
spectators, suits, performance, athletes, combinations
fortunately, variety, reproduction, vulnerable, contributed, descendant, resistance
practicing, collecting, energetic, microphones, phenomenon
identified, completes, shrinks, timescales, companion, fabric, instrument
planets, eliminate, evidence, detectable, slightly, findings, migration
intensity, solutions, degrees, volunteers, chilled, perception, thermal
distinctive, samples, artificially, technique, material, modifies, preserve
inclined, progressive, surveyed, religious, minimize
revolutionary, consumers, expected, tourists, potential
definitely, scanned, reward, false, varying, sacrificed, probably
averse, tested, determined, consumption, association, recommendations, campaign
Botanical, ecosystems, oxygen, availability, uptake, expect
vessel, diameter, particles, transfer, rabbits, injections, breathe
hygiene, childhood, exposure, colonize, respond, bonus
constrictors, artificial, attacked, kept, attention, authors, relaxing
atmosphere, stimulated, erase, handbook, vaporizes, bill
psychological, professional, simultaneously, receptionist
invaluable, goodwill, forces, addresses, announced
concert, clicks, external, signal, measured, marine
separate, compared, identical, genetic, frequencies, revealed
copies, recruited, challenged, insensitive, construct
telescope, closest, handy, broadcast, astronomy, observatories, volcanoes
wondered, unprecedented, described, annoying, concrete, beneath
neighbors, species, environment, communities, habitat, varied
social, Unsurprisingly, apparently, ignored, communication
diabetes, fatal, revealed, overweight, program
abuse, published, harvest
familiar, journal, features, simultaneously, receive, accurate
conducted, compared, admissions, concluded, control
insects, literature, ultimately, supposed, broken
