

TARGETED SLEEP SUPPORT SPRAY

Wake up on the right side of the bed with this portable and easy-to-use support spray.*

Nature: Our proprietary herbal blend works synergistically with additional quality ingredients to support more restful sleep.*

Science: Our nature-identical melatonin is vegan and used to support restful sleep and wake cycles. This formula also features herbs, 5-HTP, and L-theanine.*

Suggested Use:

Before initial use, activate the pump by pressing two to four times. Shake gently and spray under tongue. Wait 30 seconds to a minute to allow absorption, then swallow. For best results take 15 minutes before bedtime.
