[Get free] 1 of 1 review helpful Meh By Customer I suppose I should not have expected more but it basically just covers one project and is not very dynamic I don t know how much the information provided will transfer to other projects Unless you love Lucchesi s work or something I would find a different resource still OK for the price I got it used 1 of 1 review helpful Was this book even written **Modeling the Head in Clay: Creative Techniques for the Sculptor** is my first book that I read. This is a wonderful books title:Modeling the Head in Clay: Creative Techniques for the Sculptor I ever had. It makes a wonderful experience at the beginning when I get used to using my spare time to read books. You also have to feel this wonderful experience.
