[Download] 7 of 7 review helpful Disappointed almost no text and very small By Julien Aklei There are lots of pretty pictures but I was hoping for something that would teach me more about dishes their history their makers their value etc I didn't learn anything from this book there isn't much text at all What little text there is is not particularly useful either just statements like Humans love animals so it should com **Dishes is one of my favorite books. I recommend this book: Dishes to my close friend, including you.**
