

## Privacy Policy for RabbiGPT

This Privacy Policy outlines the privacy practices for RabbiGPT (the "App"), which is available for download on the Google Play Store and the Apple App Store. By using the App, you agree to the terms of this Privacy Policy.

### 1. Information We Collect

Our App is designed not to collect or store any personal information about you. We do not request or collect any personally identifiable information, such as your name, email address, phone number, or any other identifiable data.

### 2. How We Use Your Information

The sole purpose of our App is to send the information input by you (the "User") to OpenAI to generate responses or answers. We do not use your information for any other purpose, nor do we store it or share it with any other third parties.

### 3. Data Transfer to Third Parties

By using our App, you acknowledge and agree that the information you input will be sent to OpenAI to generate responses or answers. Consequently, you understand that the responsibility for the protection and privacy of your information lies with OpenAI once it is transferred.

### 4. Third-Party Services

Our App relies on OpenAI services. We encourage you to review the privacy policies of OpenAI to understand their data protection and privacy practices. We are not responsible for the data protection and privacy practices of any third party services.

### 5. Changes to This Privacy Policy

We may update our Privacy Policy from time to time. You are advised to review this Privacy Policy periodically for any changes.

### 6. Contact Us

If you have any questions or concerns regarding this Privacy Policy, please contact us at [bizdev@beon.tech](mailto:bizdev@beon.tech).
