BEDS BATHS SQ. FT. Living Space~

40 Benway is a comfortable family bungalow sitting on a private fenced yard surrounded by mature trees. This home has been lovingly maintained by the same family for over 60 years.

The separate dining room can easily host your family dinners! The finished basement can be reimagined to meet your needs whether that is more family space, multi-generational living or an income opportunity.

Just add your personal touches and it is a perfect home for a young family or downsizers!
