

The Angels Among Us

*Without the
dedication of
scores of
committee
members and
the generous
donations from friends and family members this*

wonderful ministry would not be possible. In both large and smaller ways the Visitation Community has stepped up to the challenge to provide a fitting resting place for our deceased loved ones. Due to the constant leadership and work and contributions the Visitation Cemetery has evolved into a fitting place to honor and remember and pray for our loved ones in such a serene and pastoral setting. Each year we receive hundreds of donations to be used for the upkeep of this Cemetery . In addition, it is with deep appreciation and gratitude that we list specific Major Donors and previous Members of the Cemetery Committee. We do not want to leave anyone off this list, so please let us know of any omissions.
