## PROFILE

I am a Junior Software Tester with strong attention to detail. Since I start testing, I learned how important is to be meticulous and a team player. I like new challenges, that made me want to learn more and more about this domain and improve my skills every day.

My objective is to excel in a challenging and innovative QA work environment and aim to exercise my full potential. That's why I am looking for o company that will give me the chance to learn and develop myself as a Software Tester.
