Experience

Senior Audit Associate

Water Cooper Associates *Jan 2019 - Present*

- I showed my skills in ensuring that the company's accounting records were accurate and complete through the maintenance of a framework of internal controls.
- I demonstrated my ability to improve the company's accounting controls and processes to help the firm run efficiently and effectively.
- I ensured all procedures, policies, legislation, and regulations are correctly followed and complied with.
- I have a total understanding of the accounting procedures, processes, and systems used in the context of the company's wider business plans.
- I identified the compliance issues, process weaknesses, and inefficiencies if there is any.
- Since the company is in a real estate investment trust industry, I have applied MFRS 16 Leases in my audit process.

Audit Associate

Deloitte *Jan 2019 - Present*

- I was in the loans review team when I was auditing Raain Bank Berhad.
- I demonstrated my professional skepticism in judging the repayment ability of the borrowers and the rationale of providing the loans based on the quantitative (financial performance and repayment history of the borrower) and qualitative perspective.
- I have also applied MFRS 9 Financial Instruments in my audit process.
- I was responsible in understanding the process of cash payment and cash receipt as well as the closing process of the system.
- I demonstrated my ability in determining the What Could Go Wrong and analyze whether the control is sufficient and efficient to minimize the errors.
- I have utilized my insurance technical knowledge in performing the audit process.
