Company Profile

REVA International LLC

Introduction

REVA International, a Global Trading and Distribution Company with a network of offices in Africa, Asia and Europe. Established in the year 2016, we leverage our worldwide presence along with sourcing and marketing competencies to deliver what we promise to customers across our businesses.

Mr. Ravi Nandi, a young dynamic entrepreneur, is the founder of REVA International. Based in Dubai for the past 22 years and having served BASF Construction Chemical Company, one of the world's largest companies for over 16 years in the Sales and Business Development space makes him a seasoned and well-versed veteran in this industry.

A formidable core team, that thrives on challenges, with comprehensive expertise, knowledge of the industry and accurate resources to meet the challenges of today's business needs and to achieve long term, extensive business relationships with major companies across the World.

REVA International has been partners to leading Construction Companies & Contractors across geographies by providing them the perfect products. We have been supplying construction chemical products at the best possible prices in UAE for the past 4 years.

Distributorship

We are among the trusted and authorized distributors of Master Builders Solutions Construction Chemicals by MBCC Group previously known as (BASF) in the UAE.

We have been consistently serving the best of the Construction and Contracting Companies in Middle East, Africa, Asia and Europe for the Past 4 years and have the ambition to grow our network even further globally.
