Accessibility Statement for Rudaina Foundation

We want everyone who visits the Rudaina Foundation website to feel welcome and find the experience rewarding.

What are we doing?

To help us make the Rudaina Foundation website a positive place for everyone, we've been using the [Web Content Accessibility Guidelines (WCAG) 2.0](). These guidelines explain how to make web content more accessible for people with disabilities, and user friendly for everyone.

The guidelines have three levels of accessibility (A, AA and AAA). We've chosen Level AA as the target for the Rudaina Foundation website.

How are we doing?

We're working hard to achieve our goal of Level AA accessibility, but we realise there are some areas that still need improving. The following information explains what we're doing to make that happen.

1.4.4: Resize text

You can manually adjust the text size by using the keyboard command ctrl+ or ctrl-. Use ctrl 0 to bring back to default.
