The rapidly approaching end of summer signals another season of NCAA water polo is right around the corner. I know that we are anxious to get back to college polo. The Advantage central hub provides a common national platform where we can gather for community-wide growth and improvement as we strive to improve the great game of college water polo.

Below you will find eligibility requirements and important dates for the 2025-26 season. Please visit the Advantage central hub frequently to stay current on the latest officiating news and information, rules interpretations and clarifications, and videos of recurring plays and how they are to be officiated. You will also have access to complete eligibility requirements for postseason assignment consideration.

You have made your first of many great calls of the season by choosing to register with the NCAA. Thank you for being a critical part of the NCAA Water Polo Referee Program.

We look forward to seeing you throughout the season. When the officiating community is on the same page, it is good for the game. Thank you for your diligence in preparing for the upcoming season!

Please note, we are in the process of naming a new National Coordinator of Officials and expect that person to start in August.

The test will re-open in January for any officials only available to whistle the spring season.

General Liability, Professional Liability, and Accident/Medical Insurance

RQ+ has developed an insurance program for the benefit of officials in all sports at all collegiate levels. This insurance is intended to meet the known insurance requirements of certain governing bodies, conferences, and individual institutions.

The program provides the following limits of insurance for contests officiated from August 1, 2025 to August 1, 2026. All returning officials must register by July 31, 2025 or within two weeks of their sport's registration open date to keep continuous coverage.

- *General Liability: \$6,000,000 per occurrence (\$1,000,000 General Liability and \$5,000,000 Excess Liability per occurrence)*
 - Program has total insured limits of \$34,000,000.

- Coverage intended to protect an official against claims of damages or injury caused to a third party while officiating a contest. Coverage includes personal/advertising injury, damage to a third party's premises, abuse, and molestation.
- Coverage extends to international contests if suit is brought in the US.
- *Professional Liability: \$1,000,000*
 - Professional Liability claims are generally rooted in allegations of an act, error, or omission in executing an official's professional work that cause financial loss to a third party.
 - There are options to extend the GL and PL coverage to non-intercollegiate contests, such as High School and other sanctioned events, as well as to increase the Accident Indemnity.
- *Accident/Medical: \$15,000*
 - Pays for out-of-pocket expenses for injuries sustained by an official during an intercollegiate contest.
- *Weekly Accident Indemnity (Game Fee Replacement)*
 - This insurance is intended to cover instances where an injury or other medical event sustained from a covered accident, renders you totally disabled and unable to work intercollegiate contests you had been assigned. The coverage can pay fees for missed intercollegiate contests up to the \$500 weekly limit for up to 52 weeks.

Welcome Packet

To reduce the cost of registration, an official may "opt out" of receiving a hard copy of the rules book. A digital version of the rules book is available under "Publications" on Advantage.
