General Liability, Professional Liability, and Accident/Medical Insurance

RQ+ has developed an insurance program for the benefit of officials in all sports at all collegiate levels. This insurance is intended to meet the known insurance requirements of certain governing bodies, conferences, and individual institutions.

The program provides the following limits of insurance for contests officiated from August 1, 2026 to July 31, 2027. All returning officials must register by July 31, 2026 or within two weeks of their sport's registration open date to keep continuous coverage.

- *General Liability: \$6,000,000 per occurrence (\$1,000,000 General Liability and \$5,000,000 Excess Liability per occurrence)*
 - Program has total aggregate limit per official of \$14,000,000.
 - Coverage intended to protect an official against claims of damages or injury caused to a third party while officiating a contest. Coverage includes personal/ advertising injury, damage to a third party's premises, abuse, and molestation.
 - Coverage extends to international contests if suit is brought in the US.

Professional Liability: \$1,000,000

- Professional Liability claims are generally rooted in allegations of an act, error, or omission in executing an official's professional work that cause financial loss to a third party.

There are options to extend the GL coverage to non-intercollegiate contests, such as High School and other sanctioned events, as well as to increase the Accident Indemnity.
