## PROMISE ISOTOP ADVANTAGE

ISOTOP Advantages are in build properties of a durable surface, high density substrate and smooth edges. ISOTOP Advantages include durable surface qualities produced with heat resistance, burning cigarette retardant and scratch resistance. The tough surface requires minimum maintenance and household detergent for cleaning. The high and compact substrate are moulded under high pressure and temperature, giving it strength and stability to weather resistance and outdoor use.

Product qualities with in build ISOTOP Advantages are manufactured under Quality Management System ISO9001 and using plantation timber for environment protection, Environment Management System ISO14001 to meet our ISOTOP promise.

## ADVANTAGE

**Weather Resistant**  
Resistant against all types of weather conditions.

**Stain Resistant**  
Impermeable against corrosive and sticky substances from liquid or solid food.

**Stability**  
Neither too heavy not too light, yet stable when laden and withstands gusts of wind.

**Scratch Resistant**  
Withstands scratching from crockery and cutlery.

**Resistant to Cigarette Burns**  
If a cigarette falls on the top by mistake, it will burn itself out without leaving a mark on the surface.

**Minimum Maintenance**  
Simple wiping with wet cloth or mild detergent to remove stains.

**Heat Resistant**  
No apparent adverse effect from hot food on its surface nor suffer cigarette burns.

**Elegant & Comfortable**  
Smooth satin-finish and colour variety to match any decoration. Rounded corners and edges ensure safety and comfortable seating arrangement.

**Damp Proof**  
Damp proof features with sealed surface and edges.

**Creative Finishing**  
Through digital printing, the tabletop is customizable to meet different needs.
