

SAGESTICS BRAKES

Leading Friction Material Manufacturer

We, "sagestics brakes" are well known manufacturer established in the year 1986. We are the biggest name in the market offering the best collections of tractor brake disc plates for all tractor models, asbestos free clutch facing, lcv & pv disc brake pads & disc back plates for lcv & pv. Owing to the sharp properties of our products, like light weight, low maintenance, and fine finish, these are broadly applauded by all.
