

GROW YOUR BUSINESS OFFSHORE

Together we will drive your business forward
through our offshore staffing solutions.

Offshore Staffing

SARATEL
SOLUTIONS

KEEP GROWING

Saratel Solutions is a global offshoring company with office locations based in USA, Australia and Philippines.

Why offshore to the Philippines?

1. One of the fastest growing economies in Asia
2. Strong English language background with neutral accents
3. Highly-trained professionals

What Makes Us Different

- Managed by an Australian team of professionals
- Providing you with ongoing support through our Client Service team
- Increase your profit margin without having to raise any more revenue
- Help you get ahead over your competitors by taking advantage of our cost-saving solutions

Our Staffing Solutions

Our company's objective is to deliver high quality staffing solutions in order to meet your desired operational needs. We strive to provide solutions that are well designed in order to effectively integrate with your business operations.

Customized Solution

All of our solutions are always tailored. Let us know your requirements and we'll help build your team. We will find the right candidates according to your specifications and then you can decide who would be the best fit for you.

How It Works

- 
 - **1 YOU**
Our first priority is you. We will gain more understanding on your business goals in order to provide you with a more tailored solution.
- 
 - **2 YOUR REQUIREMENT**
Together we will identify every single requirement that you have, from services provided to recruitment details. Saratel will act as your support and strategic provider, helping you understand all the different ways to make your ideas possible.
- 
 - **3 RECRUITMENT PROCESS**
We will scan for candidates and filter through our hiring process in accordance with your expectations.
- 
 - **4 1 ON 1 INTERVIEW**
You will have the opportunity to sit down and meet them through our online facilities to personally assess whether the candidate is right for you.
- 
 - **5 EMPLOYEE ACCEPTANCE**
Once the best candidate has been approved by you, we will prepare the proposed contract agreement. Our human resources team will make sure that all necessary documents are submitted.
- 
 - **6 IT IMPLEMENTATION**
Corporate workstations will then be prepared along with all the IT facilities. This includes a personal computer and software applications.
- 
 - **7 JOB ORIENTATION & TRAINING**
Your new team member will then go through the initial orientation about your company, including necessary trainings and applicable tasks. We will then provide you with induction and training to best utilize our solutions.
- 
 - **8 ROLL OUT**
Finally, we will endorse your new team member over to you to begin helping your achieve your goals and objectives within your business.

Competitive Advantages

FOCUS

Goal-orientated and process-driven with the objective of providing tailored solutions for our client while maintaining a high-level of professional standards.
