

As of August 23, 2023, the Southeast Valley Board of Directors, voted to suspend open-enrollment applications for the 2023-2024 school year due to classroom space for the following buildings:

High School General and Special Education

Middle School General and Special Education

Southeast Valley Elementary Farnhamville K thru 4 Special Education

Open-enrolled students accepted before this date, are exempt from this board decision.

Southeast Valley will continue to enroll students that live or have moved into the district.
