Dayton Elementary Report – Chelsey Danielson, Principal

The month of August has been a month full of learning and excitement. As an administration team, we learned more about Student Center Coaching and attended the SAI conference to hear from great speakers to excite us for the upcoming school year. The teachers will receive continuous professional development each month from the elementary administrators and instructional coach with support during their own PLC meetings. The Dayton Elementary teachers also received professional development this month on Specially Designed Instruction (SDI) and co-teaching. Our staff is ready to implement all their new learning. We have many staff changes this year in our building. We have new teachers to the district, new teachers to the building, and new teachers to their position within the building. This brings a new challenge to the Dayton team, but the staff has embraced all the changes. We are beginning to see some great things happening within the building. The message to the staff this year is “All means All” and we are framing our learning this year around collaboration. I am excited to see what we can do as a new Dayton Elementary team.

Farnhamville Elementary Report – Jim Duncan, Principal

The Calming Room has been completed and Sensory Room has been re-organized.

We have had parents enrolling on line and signing up for a time to come to open house and meet their teachers. Tuesday August 17th: Hosted the PLC relaunch with Southeast Webster Grand Elementary. Great Teamwork with Elementary Principals and Instructional Coach leading the PD. Staff were very receptive and collaborative. Wednesday August 18th: Hosted the ‘Brian Mendler’ presentation. Staff commented on how thought provoking the topic was.

Southeast Valley High School Report – Kerry Ketcham, Principal

Jubilations

Congratulations to the SV softball team and coaches for a 3rd place finish in the conference. Emily Jaeschke and Ellie Nolte earned

1st team all-conference honors, Maddie VanSickle for 2nd team, and honorable mention winning record. Kolson Kruse earned 1st team all-conference honors, Sam Hanson for 2nd team, and honorable mention for Caden Larson. 1st day activities are being planned. Conditions of Learning survey showed improved results this year. for Emily Hemmestad. Congratulations to the SV baseball team and coaches for a successful season.

Southeast Valley Middle School Report – Greg Slininger, Principal

Building projects are mostly completed. Went over schedule for week prior to school. Brian Mendler was here on the 18th. It was outstanding. 5th Grade orientation was a success. Great to have kids in the building again. We are ready to go here at SVMS! We have a great staff here and we are all jazzed up to see students! Go Jags!

Curriculum Report – Linda Hunecke

We hosted Brian Mendler and extended an invitation to all our staff and school board members. Brian, a special education teacher, author and presenter, is highly sought after because he speaks from the perspective of a student whose behavior landed him in some very difficult situations. He describes his own life experiences and puts them in a context that anyone can relate to and understand. He provides tips for how to become the kind of person, regardless of your position or role, that can positively impact students and potentially help them see a better future. He emphasizes exactly what we've been working on, building relationships with students first and foremost!

The AEA will be posting hearings regarding objections to our petition. Anyone objecting will need notify the AEA by Sept 10th.
