Citizens wishing to address the board on a certain agenda item must notify the superintendent 24 hours prior to the board meeting. Citizens wishing to present petitions to the board may do so at this time. However, the board will only receive the petitions and not act upon them or their contents. The board has the discretion to limit the amount of time set aside for public participation. **(Board Policy 213)**

Persons requesting to place an item on the agenda must make a request to the superintendent prior to the drafting of the tentative agenda. The person making the request must state the person's name, address, purpose of the presentation, action desired and pertinent background information. Requests from the public may be added to the tentative agenda at the discretion of the superintendent after consultation with the board president. **(Board Policy 210.8)**
