LICENSED EMPLOYEE CONTRACT RELEASE

Licensed employees who wish to be released from an executed contract must give at least twenty-one days' notice to the superintendent. Licensed employees may be released at the discretion of the board. Only in unusual and extreme circumstances will the board release a licensed employee from a contract. The board will have sole discretion to determine what constitutes unusual and extreme circumstances.

Release from a contract will be contingent upon finding a suitable replacement. Licensed employees requesting release from a contract after it has been signed and before it expires may be required to pay the board the cost of advertising incurred to locate and hire a suitable replacement, including the amount of a signing bonus. Upon written mutual agreement between the employee and the superintendent, the costs may be deducted from the employee's salary. Payment of these costs is a condition for release from the contract at the discretion of the board. Failure of the licensed employee to pay these expenses may result in a cause of action being filed in small claims court.

The superintendent is required to file a complaint with the Iowa Board of Educational Examiners against a licensed employee who leaves without proper release from the board.
