Jessica received a degree in management from the College of Saint Scholastica. Born and raised in Bob Dylan's hometown of Duluth, Minnesota, Jessica began her career in the restaurant industry, gaining valuable experience and curious stories along the way. Her prior experience in the hospitality industry is reflected at Stanton LLP, where she helps support attorneys on a variety of tasks and maintains the firm's hospitality efforts.

An avid sports fan, Jessica manages a fantasy basketball league and hardly ever misses a Lakers game. She spends her Sundays in the fall watching football with her close-knit family and friends.
