1. CONDITIONS TO CCNX TOKEN SALE

When you purchase, or otherwise receive, a CCNX token, you may only do so by accepting the following conditions and, by doing so, you warrant and represent that you understand and agree to each of the following statements, which are a true and accurate reflection of the basis on which you are acquiring the CCNX tokens:

- (a) neither the Company nor any of the Cashcart Team has provided you with any advice regarding these Terms, the Agreement, the Rights purchased thereby and whether CCNX is a suitable product for you;
- (b) you have sufficient understanding of the functionality, usage, storage, transmission mechanisms and intricacies associated with cryptographic tokens, such as Bitcoin and Ether, as well as blockchain-based software systems generally;
- (c) you are legally permitted to receive and hold and make use of CCNX in your and any other relevant jurisdiction;

- (d) you will supply us with all information, documentation or copy documentation that we require in order to allow us to accept your purchase of the Rights;
- (e) you have not supplied us with information relating to your acquisition of CCNX or otherwise which is inaccurate or misleading;
- (f) you will provide us with any additional information which may be reasonably required in order that we can fulfil our legal, regulatory and contractual obligations, including but not limited to any anti-money laundering obligation;
- (g) you will notify us promptly of any change to the information supplied by you to us;
- (h) you are at least 18 years old and are of a sufficient age to enter into the Agreement and legally obtain CCNX in your jurisdiction of residency, and you are not aware of any other legal reason to prevent you from obtaining CCNX;
- (i) you take sole responsibility for any restrictions and risks associated with receiving and holding the Rights or CCNX, including but not limited to these set out in Annex A;
- (j) by acquiring the Rights (or receiving CCNX upon a Token Generation Event), you are not making a regulated investment, as that term may be interpreted by the regulator in your jurisdiction, or indeed any investment of any kind, but rather pre-purchasing CCNX that would ultimately give you use rights and licenses in the proposed Cashcart Platform, which has not yet been built;
- (k) you intend to utilize or consume CCNX within the Cashcart ecosystem and your purchase is not an investment in the Company or the Cashcart Team;
- (l) you are not obtaining CCNX for any illegal purpose, and will not use CCNX for any illegal purpose;
- (m) you waive any right you may have to participate in a class action lawsuit or a class wide arbitration against the Company in relation to your purchase of CCNX;
- (n) your purchase of CCNX does not involve membership interests, shares, ownership or any equivalent in any existing or future public or private company, corporation or other entity in any jurisdiction;
- (o) you accept that CCNX will be created, if at all, and you will obtain CCNX on an “as is” and “under development” basis. Therefore, you accept that the Company is providing CCNX without being able to provide any warranties in relation to CCNX, including, but not limited to, title, merchantability or fitness for a particular purpose;

- (p) you understand that CCNX tokens are not intended to have any value independent of their uses and utility in connection with the Cashcart Platform and you accept that you bear sole responsibility for (i) determining if the acquisition, use or ownership of CCNX is appropriate for you, (ii) the potential loss, diminution or depreciation of the Purchase Amount in peculiar circumstances, (ii) the sale and purchase of CCNX; and/or (iv) any other action or transaction related to CCNX has tax implications;
- (q) you understand that the Cashcart Platform is constantly being upgraded and that, as ultimately developed, it may not provide all the functions or utilities discussed in the White Paper or otherwise expected by you or the market generally;
- (r) following consummation of a purchase transaction, the Company intends to immediately convert cryptographic currencies (ETH, BTC, etc.) used for purchase into fiat currencies, since fiat is still the only way the Company can fund its operations. Accordingly, in the event of dissolution and potential return of funds, the Company shall have discretion as to what form funds are returned in, whether fiat or the cryptocurrency used for the purchase transaction;
- (s) you acknowledge and agree that no member of the Cashcart Team, nor any other individual, makes any guarantee or representation, or is involved in the transactions contemplated here, and that your transaction is solely with the Company as a corporate entity.
