

REWARDS

CashCart may be considered the first among its kind to offer an extensive list of products and services in its online shopping platform and an extended feature of Food and Beverage, Groceries, and Wet Market deliveries. Its unique offering of such services is complemented by its own delivery and logistics solutions through Pick-O Delivery. When you engage in the Platform for buying, selling, and delivering, and perform good and responsible actions within the CashCart ecosystem, you get to earn rewards every time!

So what are these rewards? Either you are a merchant-seller, member-shopper, or Pick-O deliverer, you get to earn:

Merchant-Seller Rewards

The member shopper is given 24 hours to dispute an item or service and the merchant seller 72 hours to resolve the dispute. [Please refer to the Dispute Resolution Policy.](#)

4. Early Resolution Rewards

If you were able to seamlessly resolve a dispute within 72 hours, you get rewards!

Member-Shopper Rewards

1. Coinback and Loyalty Rewards

CCNX is a utility token, a stable coin pegged at 0.02USD, exclusively circulated within CashCart and used for shopping. When you accumulate enough CCNX from coinbacks, you can use them to shop, give, or cash out anytime with our respective partners (see Global Partners on the footer section at <https://cashcart.io> and <https://cashcart.online>). For more information about CCNX, please visit <https://ccnx.io>.
