Form 990, Part III, Line 4a - Program Service Accomplishments

In partnership with the NYC Department of Education, the organization completed the third year of a 10-year, \$80 million initiative to bring computer science education to 100% of local public schools. The initiative, called Computer Science for All (CS4All), is a public-private partnership between CSforALL and the City of New York and the NYC Department of Education. By 2025, all New York City public school students will receive at least one meaningful, high-quality computer science learning experience at each school level: elementary, middle, and high school. The centerpiece of the initiative is the training of 4,775 teachers who will, by Year 10, bring computer science to more than 245,000 students each year.

CSforALL is focused on school districts as an important unit of change for rigorous, inclusive, and sustainable computer science education. The SCRIPT supports systems-level change by addressing five key areas: (1) Leadership, (2) Teacher Capacity and Development, (3) Curriculum and Materials Selection and Refinement, (4) Partners, and (5) Community. During the 2017 calendar year, CSforALL engaged over 30 school districts from across the country in a process to create plans for CS education.

The CSforALL Summit is an annual convening of the national K-12 computer science education community. The 2018 summit was held at Wayne State University in Detroit, Michigan, and featured commitments from more than 170 organizations from every sector to make CS learning a reality for all students in the United States.

Form 990, Part VI, Line 12c - Explanation of Monitoring and Enforcement of Conflicts

The organization has a board approved conflicts of interest policy. Each board member must fill out an annual declaration stating they had no conflicts or identifying the nature of their interested party transactions.

Form 990, Part VI, Line 15a - Compensation Review & Approval Process - CEO & Top Management

Each year, the executive committee reviews comparable salaries based on a recognized study and reviews the performance of the executive director to determine if the existing salary falls within these ranges. After a deliberation of this matter, a new proposed salary and benefit package is voted on. The minutes of the board of directors reflect the nature of this process
