MESSAGE

It is real pleasure to be here, to see the good work that the Singapore Women's Association (SWA) has done, and to celebrate its long and storied track record.

The SWA serves some of the most vulnerable in the community - children, the elderly and the underprivileged. It is an important conduit providing assistance to those of us who need it, and at the same time giving opportunities for women to contribute to the betterment of our society.

This has been its mission since it started in 1954, at a time when social problems were rife and the needs were immense. Today, in Singapore, after decades of economic development, the problems are less obvious but for those impacted, as great as ever.

Even as many children, young persons and the elderly have found their feet in the world, and have been able to take advantage of the rising tide of prosperity in Singapore, there remain those who require our help.

SWA has been playing this role since 1954, and its defining identity has been a sensitive and ground up approach to tackling specific problems - including providing eye care for the elderly with glaucoma under its "vision care" programs; in "Project Rebuild", it assist women and children who have been victims of domestic violence; and then there is its long time mission of grooming young women to serve in the community.

Today the SWA is 46 years old, and its members have served the community, and the association with distinction, for many years. Renewal is in the air and will inject new ideas and projects into the association. However, what remains unchanged will be SWA's unwavering attention to those among us who are vulnerable, marginalised and who need a warm and supportive hand.

I wish the association the very best in its 46th year and its mission for making Singapore a better place for us all as it too plays its part in refreshing and strengthening the social compact in Singapore.

Happy 46th anniversary!

Lee Li Hua

PRESIDENT,
SINGAPORE WOMEN'S ASSOCIATION

Dear Esteemed Guests,

On behalf of SWA, it is with great pleasure and honour that I extend a warm welcome to each and every one of you to this remarkable charity dinner.

I want to express my heartfelt gratitude to all the distinguished individuals, philanthropists, and esteemed guests who have joined us here tonight. Your presence signifies your unwavering commitment to supporting our cause and your dedication to creating positive change in our community.

Tonight's event is a testament to the power of unity and compassion. It is through collective efforts that we can address the challenges faced by the less fortunate and create a brighter future for them. Your generous contributions and support will go a long way in transforming lives, providing education, healthcare, and opportunities for a better tomorrow.

As we come together under one roof, let us remember the importance of empathy, kindness, and generosity. Each one of us has the power to uplift those in need, and together, we can create a ripple effect of hope that resonates far beyond this evening.

I would like to extend my deepest appreciation to my organizing committee, volunteers, and sponsors who have worked tirelessly to make this event a reality. Your dedication and unwavering commitment have made a profound impact on the success of this charitable endeavour.

Once again, I extend a warm welcome to all our distinguished guests. May this evening be filled with joy, camaraderie, and a deep sense of fulfilment, knowing that through our collective efforts, we are making a meaningful difference in the lives of others.

Thank you for your presence and your unwavering support.

Warm regards,

Singapore Women's Association
