SECTION VI

In the following passage the numbered gaps indicate missing words. Against each number in the list below the passage, four options are given in columns lettered A to D. Choose the word that is the most suitable to fill the numbered gaps in the passage.

An entrepreneur is a person who organises and manages any business enterprise, or one who combines the other factors of -71— to start a business and make a profit. He possesses considerable initiative and is willing to take -72—. An entrepreneur can be a farmer, a dressmaker, a factory owner, a wholesaler or a -73—. More often than not, it is best for an entrepreneur to start a business from scratch rather than -74— in or buy an existing business. One advantage is that he would be independent and not become a -75— or get to inherit some bad debt.

The —76— of a good entrepreneur must include hard work, innovation and creativity. He must be well informed and confident to make worthwhile decisions. As it takes a great deal of energy, time and money to operate one's own business, entrepreneurs must seek to possess good managerial —77— in order to manage their business successfully.

But how useful is the entrepreneur to the society? He is an innovator who develops new —78— and services to make life easier and more comfortable. He plans, organises, directs and —79— his business activities effectively thus minimising wastage of limited —80— and enhancing
