

STAFF PRAYER - INSTRUCTIONS:

The prayer can be used as it is, or adapted to suit the needs of your staff. It is recommended that the reading is split between a few people as it is quite long e.g. different adults could read the spoken parts.

Alternatively, there is a version of the reading on YouTube:

After the reading, please play the new hymn by Mike Anderson, 'Together On the Road' which can be found at the following link:

Then invite staff to reflect on the questions on page 3 before praying the prayer that follows together.

Start your discussions.

On page 4 of the leaflet, is a prayer that can be used to close your meeting.

Please give all present a copy of the Synod Prayer to take away with them.
