## SOME PRAYERS TO PRAY INTO YOUR FUTURE MARRIAGE 5

I have been sharing with you some prayers I personally prayed into my future marriage during our courtship days. Today I want to conclude this series.

I want you to sow a prayer into the marriage of a couple whose marriage you really admire. The Bible says you will reap whatever you sow so by this prayer you are reaping what you like in their marriage.

You may pray like this:

Father I pray for Mr and Mrs So and So. I pray that their marriage will continue to be an ever flowing fountain of wisdom, grace and hope for our generation and beyond. Amen.

Next week we will start a new series.
