

# NeuroVoice

What does an  
average day  
look like for  
you?

# The challenges of speech disorders

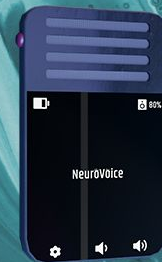

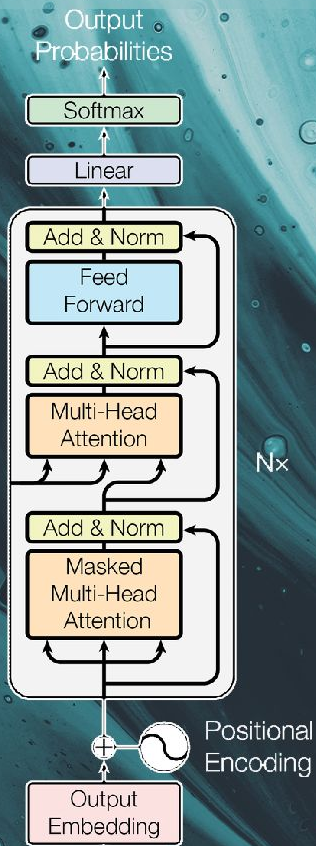

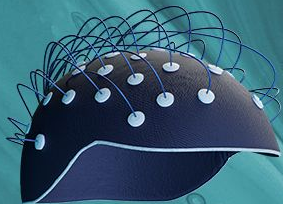

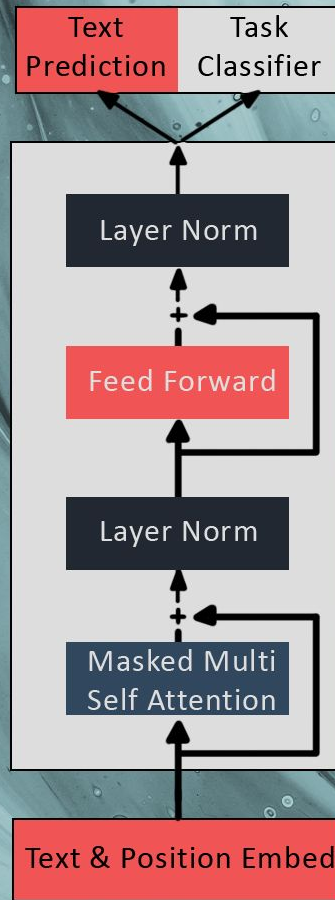

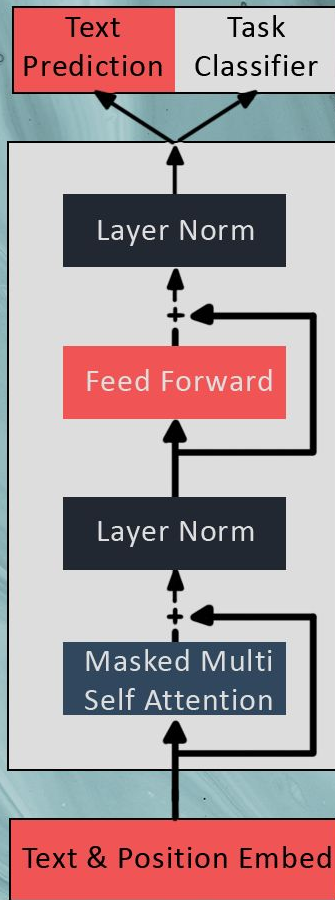

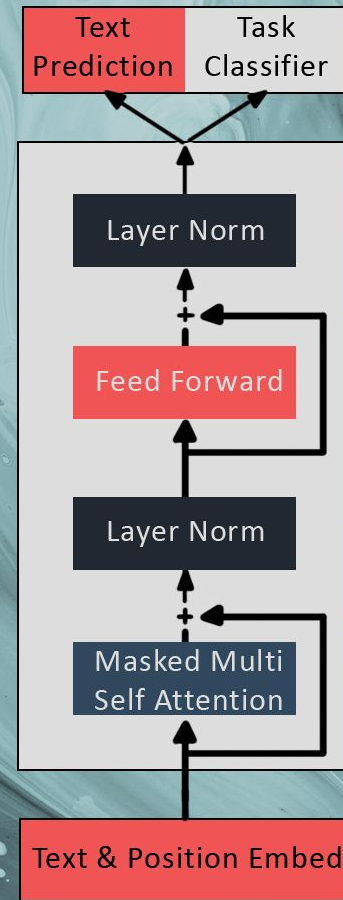

# Utilization of BCIs

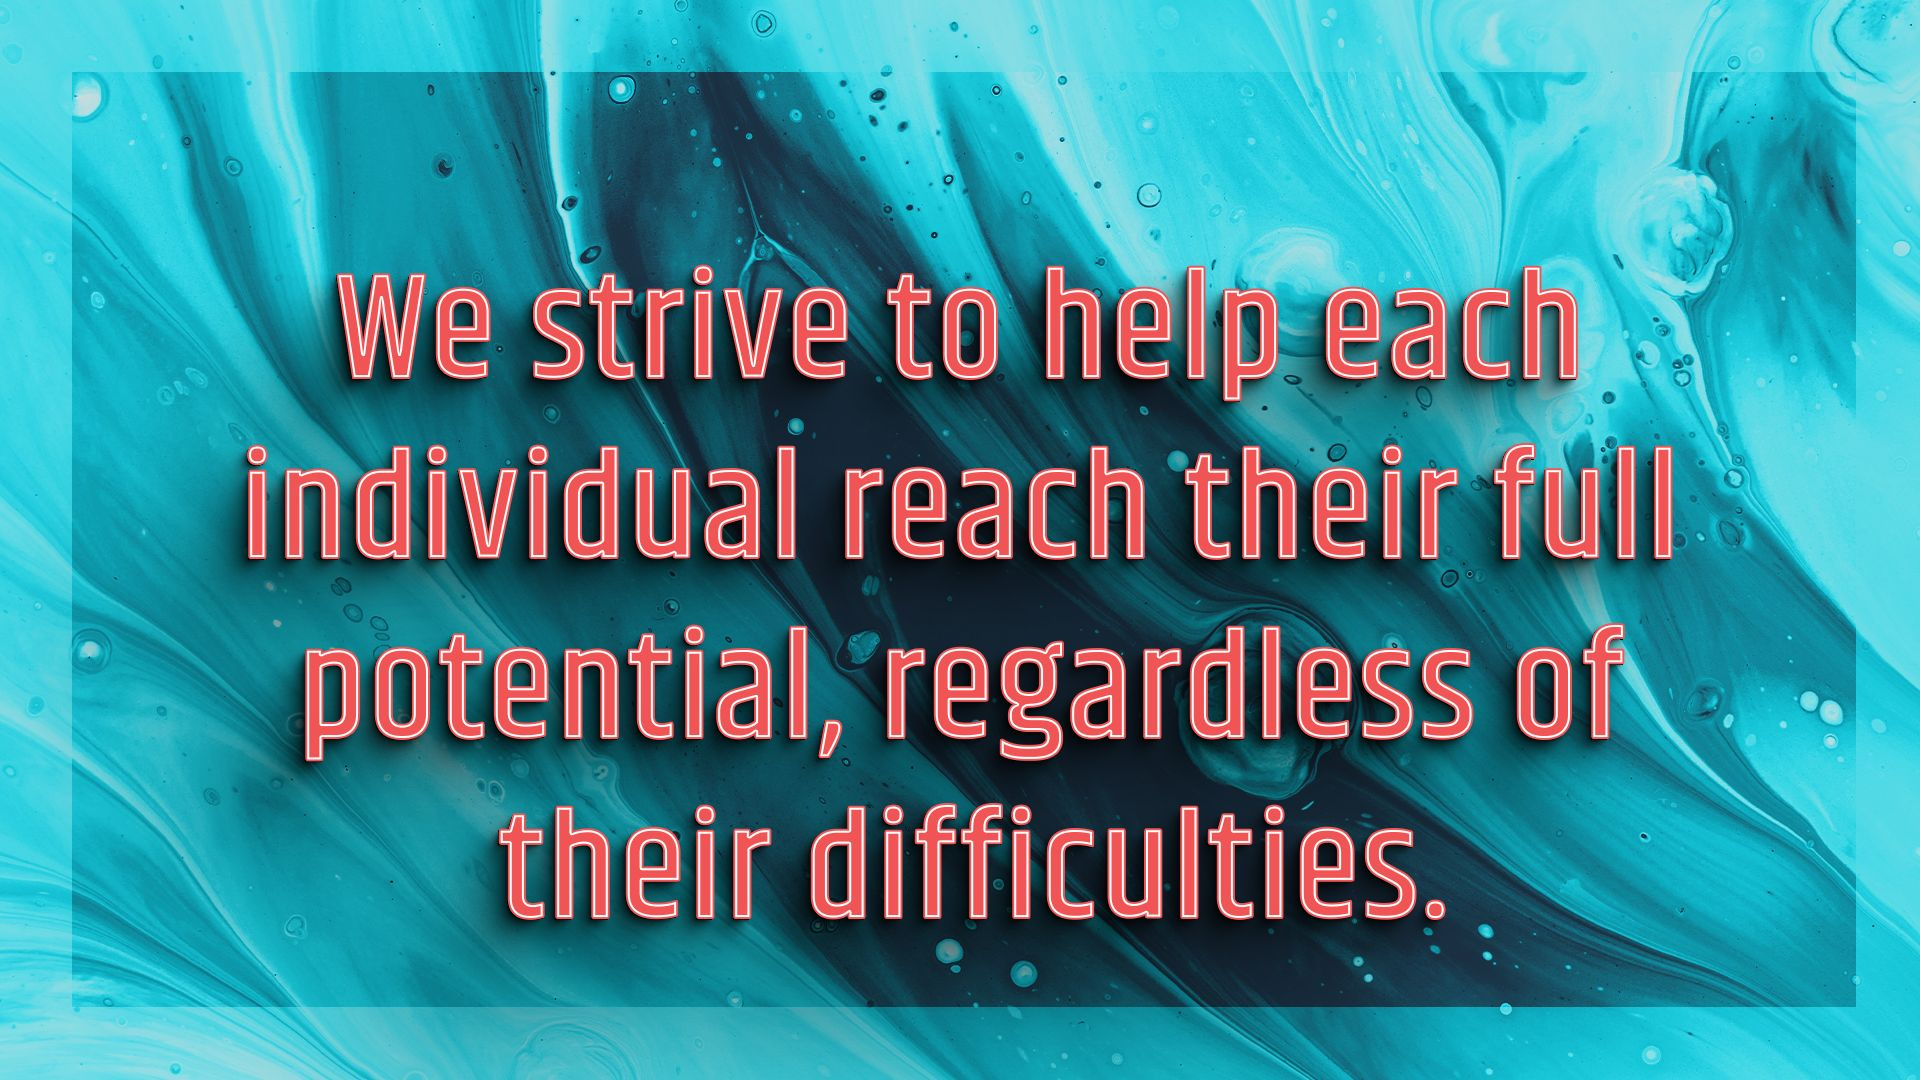

NeuroVoice

...

The background is an abstract, fluid pattern of various shades of blue and teal, resembling marbled paper or liquid paint. A semi-transparent dark teal rectangular box is centered over the image, serving as a backdrop for the text. The text is written in a red, rounded, sans-serif font with a thin white outline, arranged in four lines.

We strive to help each  
individual reach their full  
potential, regardless of  
their difficulties.
