

TINY MINIES

NEW  
YEAR'S  
ACTIVITY  
BOOK

# CUT AND PASTE SUDOKU

Name: \_\_\_\_\_

Remember, you can only have one of the same object in each row and column.

|                                                                                    |                                                                                     |                                                                                     |                                                                                     |
|------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
|   |    |                                                                                     |  |
|   |                                                                                     |   |                                                                                     |
|  |   |  |                                                                                     |
|                                                                                    |  |                                                                                     |                                                                                     |

Cut first

Then paste it here.

## Development Areas

- ★ Reasoning
- ★ Attention and focus
- ★ Mathematical thinking
- ★ Logical thinking

TINY MINIES

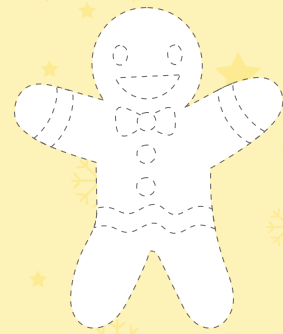

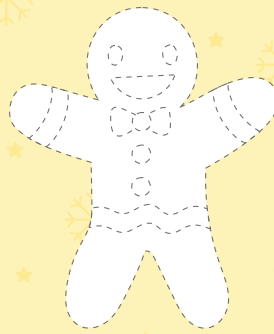

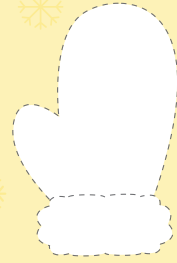

Print this activity  
by scanning the code!

# DRAW AND PAINT

Name: \_\_\_\_\_

Trace the lines and color!

## Development Areas

- ★ Hand and eye coordination
- ★ Visual perception
- ★ Fine motor
- ★ Attention development

**TINY MINIES**

Print this activity  
by scanning the code!

# CUT AND MERGE

Name: \_\_\_\_\_

Cut along the lines, mix the pieces and then put them in the right order!

## Development Areas

- ★ Hand-eye coordination
- ★ Visual perception
- ★ Part-whole relationship
- ★ Attention development

TINY MINIES

Print this activity  
by scanning the code!

# MATCH THE OBJECTS

Name: \_\_\_\_\_

Match the identical objects!

## Development Areas

- ★ Visual Perception
- ★ Attention development
- ★ Reasoning
- ★ Logical thinking

TINY MINIES

Print this activity  
by scanning the code!

# FIND WHAT'S DIFFERENT

Name: \_\_\_\_\_

Find the object that is different and circle it!

## Development Areas

- ★ Visual perception
- ★ Attention development
- ★ Reasoning
- ★ Logical thinking

TINY MINIES

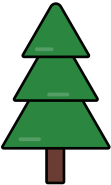

Print this activity  
by scanning the code!

# COMPLETE THE PATTERN

Name: \_\_\_\_\_

In each row, find the next missing object, cut and paste it into the empty space.

|                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                      |                                                                                       |  |
|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|--|

## Development Areas

- ★ Visual perception
- ★ Attention development
- ★ Reasoning
- ★ Logical thinking

TINY MINIES

Print this activity  
by scanning the code!

# MEMORY CARDS

Name: \_\_\_\_\_

Cut all the cards, Turn them down and shuffle. Turn up two cards to find the same objects!

## Development Areas

- ★ Visual perception
- ★ Attention development
- ★ Memory development
- ★ Cause and effect relationship

TINY MINIES

Print this activity  
by scanning the code!

# COUNT AND MATCH

Name: \_\_\_\_\_

Match the Christmas trees with the decorations on them!

## Development Areas

- ★ Arithmetic math
- ★ Attention development
- ★ Reasoning
- ★ Logical thinking

TINY MINIES

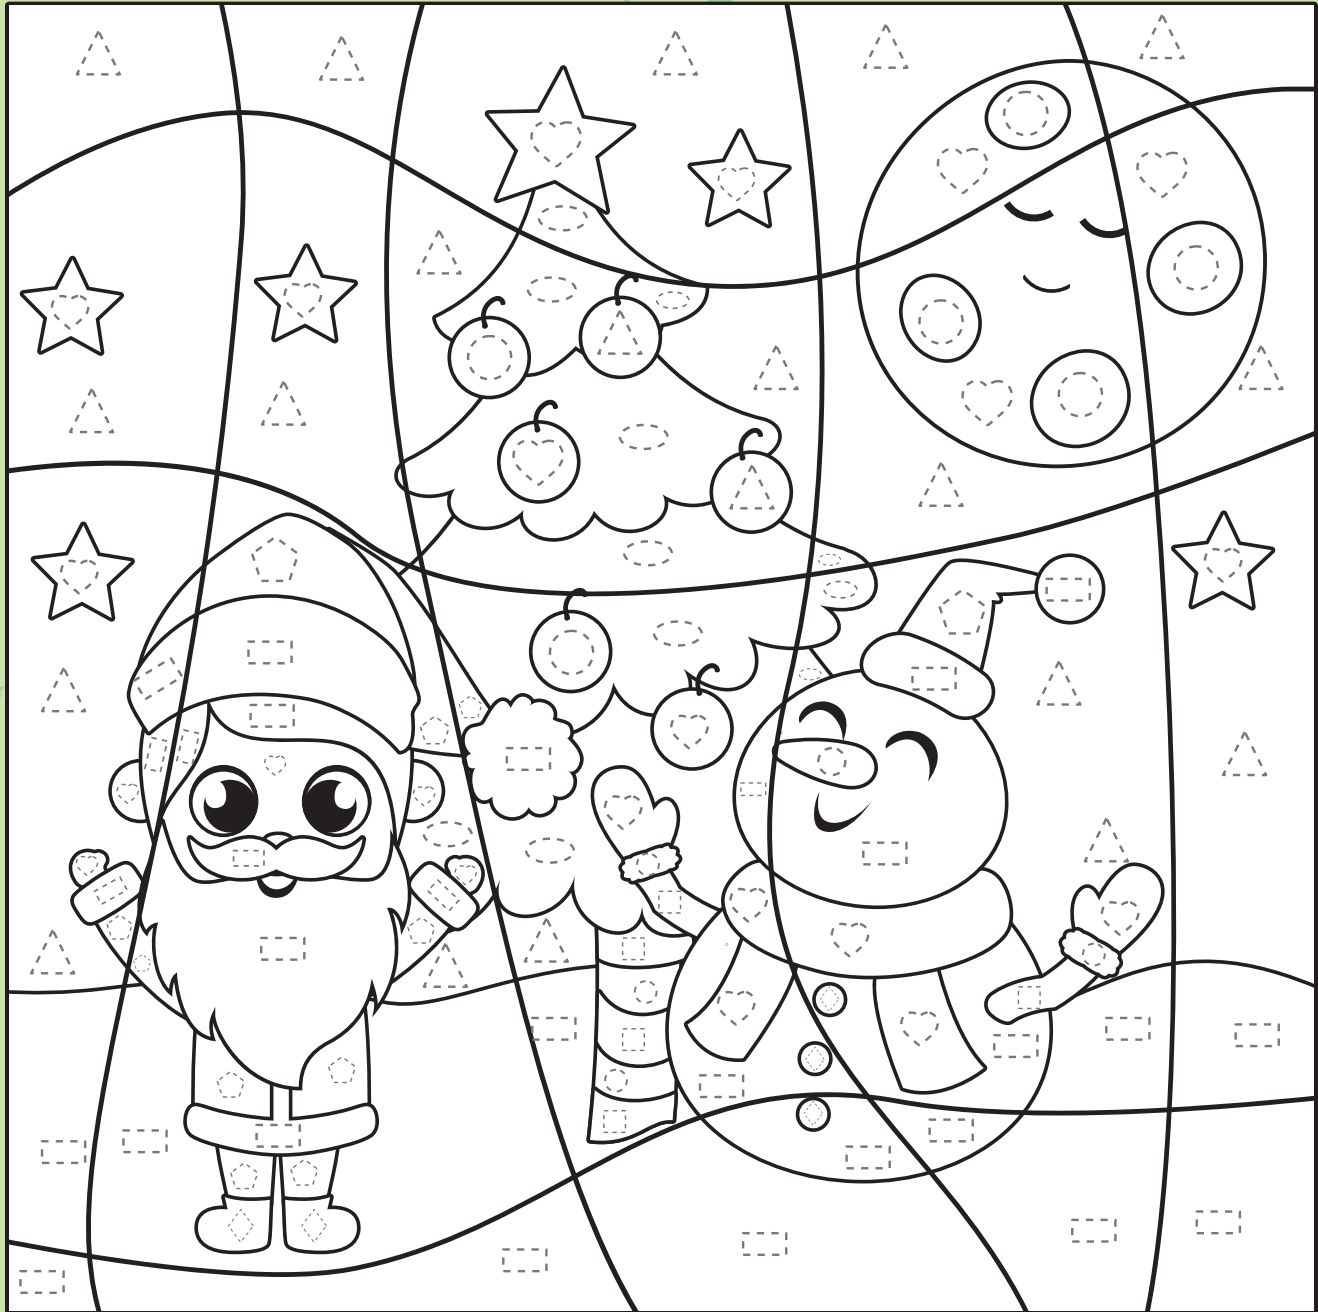

Print this activity  
by scanning the code!

# PAINT WITH SHAPES

Name: \_\_\_\_\_

Color each area of the picture with the color shown for the shape on it!

## Development Areas

- ★ Creativity
- ★ Imagination
- ★ Visual perception
- ★ Reasoning

**TINY MINIES**

Print this activity  
by scanning the code!

# MATCH THE SHADOW

Name: \_\_\_\_\_

Match each object with its shadow.

## Development Areas

- ★ Attention Development
- ★ Visual perception
- ★ Logical thinking
- ★ Reasoning

TINY MINIES

Print this activity  
by scanning the code!

# CHRISTMAS TREE DECORATION

Name: \_\_\_\_\_

Cut the decorations on the stripes and decorate the tree as you wish!

## Development Areas

- ★ Creativity
- ★ Imagination
- ★ Visual perception
- ★ Fine motor

TINY MINIES

Print this activity  
by scanning the code!

# FIND THE SAME

Name: \_\_\_\_\_

Find the same picture in each row and circle it.

## Development Areas

- ★ Visual perception
- ★ Attention development
- ★ Reasoning
- ★ Logical thinking

TINY MINIES

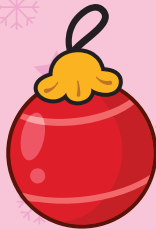

Print this activity  
by scanning the code!

# MATCHING

Name: \_\_\_\_\_

Match Christmas trees with decorations of the same color!

## Development Areas

- ★ Visual perception
- ★ Attention development
- ★ Reasoning
- ★ Logical thinking

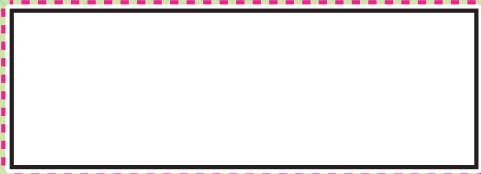

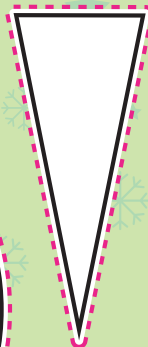

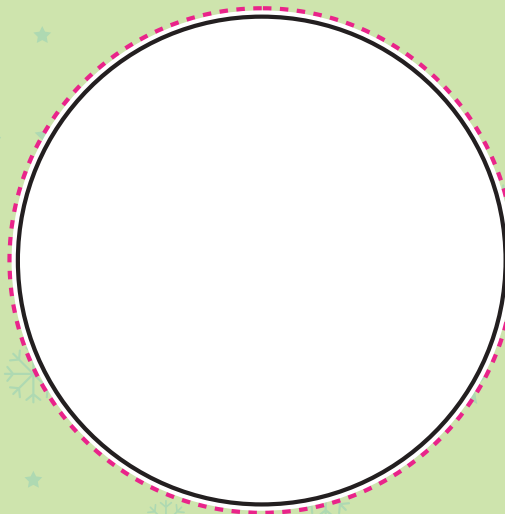

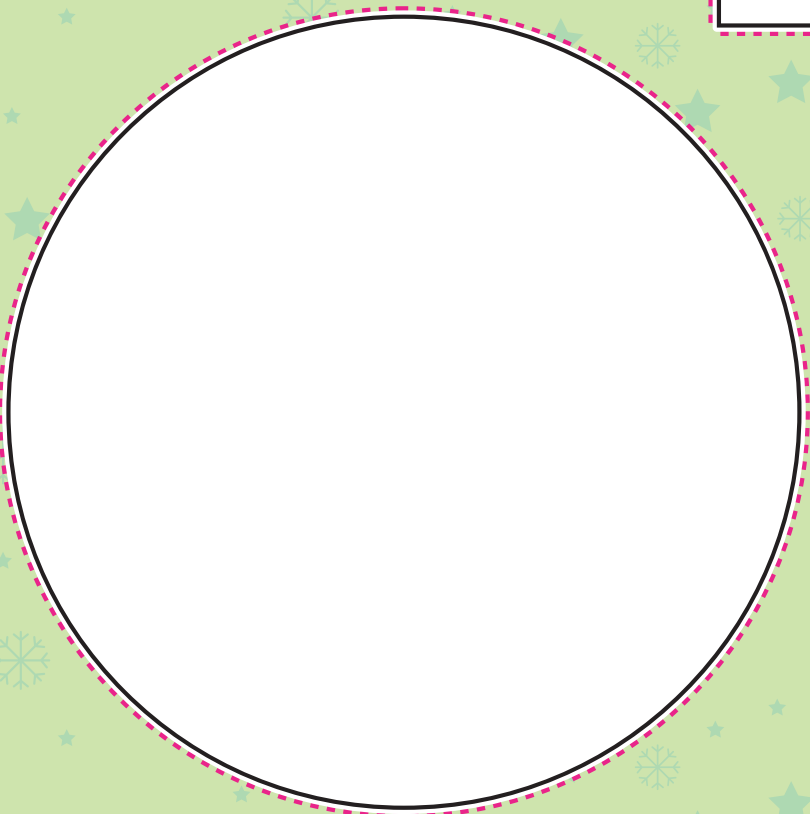

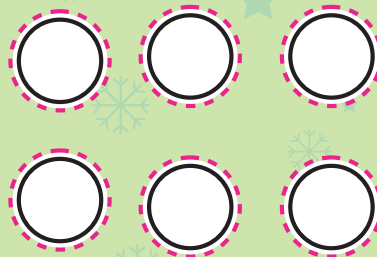

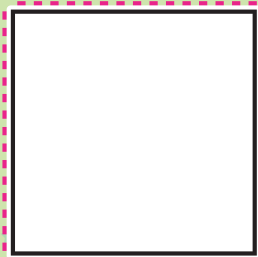

Print this activity  
by scanning the code!

# SNOWMAN

Name: \_\_\_\_\_

Cut out the shapes from the stripes and paste them as shown in the picture to make a snowman!

## Development Areas

- ★ Creativity
- ★ Visual perception
- ★ Fine motor
- ★ Part-whole relationship

TINY MINIES

Print this activity  
by scanning the code!

# MAZE

Name: \_\_\_\_\_

Solve the maze and help Bongo to reach his deer!

## Development Areas

- ★ Visual perception
- ★ Attention development
- ★ Reasoning
- ★ Logical thinking

TINY MINIES

Print this activity  
by scanning the code!

# FIND THE DIFFERENCES

Name: \_\_\_\_\_

Find 5 differences between two pictures!

## Development Areas

- ★ Visual perception
- ★ Attention development
- ★ Hand eye coordination
- ★ Fine motor

TINY MINIES

Print this activity  
by scanning the code!

# BIG AND SMALL

Name: \_\_\_\_\_

Bring every bird to its nest!

## Development Areas

- ★ Visual perception
- ★ Attention development
- ★ Reasoning
- ★ Logical thinking

TINY MINIES

Print this activity  
by scanning the code!

# WINTER VACATION

Name: \_\_\_\_\_

Choose suitable clothes for the winter vacation!

## Development Areas

- ★ Visual perception
- ★ Attention development
- ★ Reasoning
- ★ Logical thinking

TINY MINIES

Print this activity  
by scanning the code!

# COMPLETE THE IMAGE

Name: \_\_\_\_\_

Complete the missing part of the snowman and paint it!

## Development Areas

- ★ Creativity
- ★ Imagination
- ★ Visual perception
- ★ Fine motor

TINY MINIES

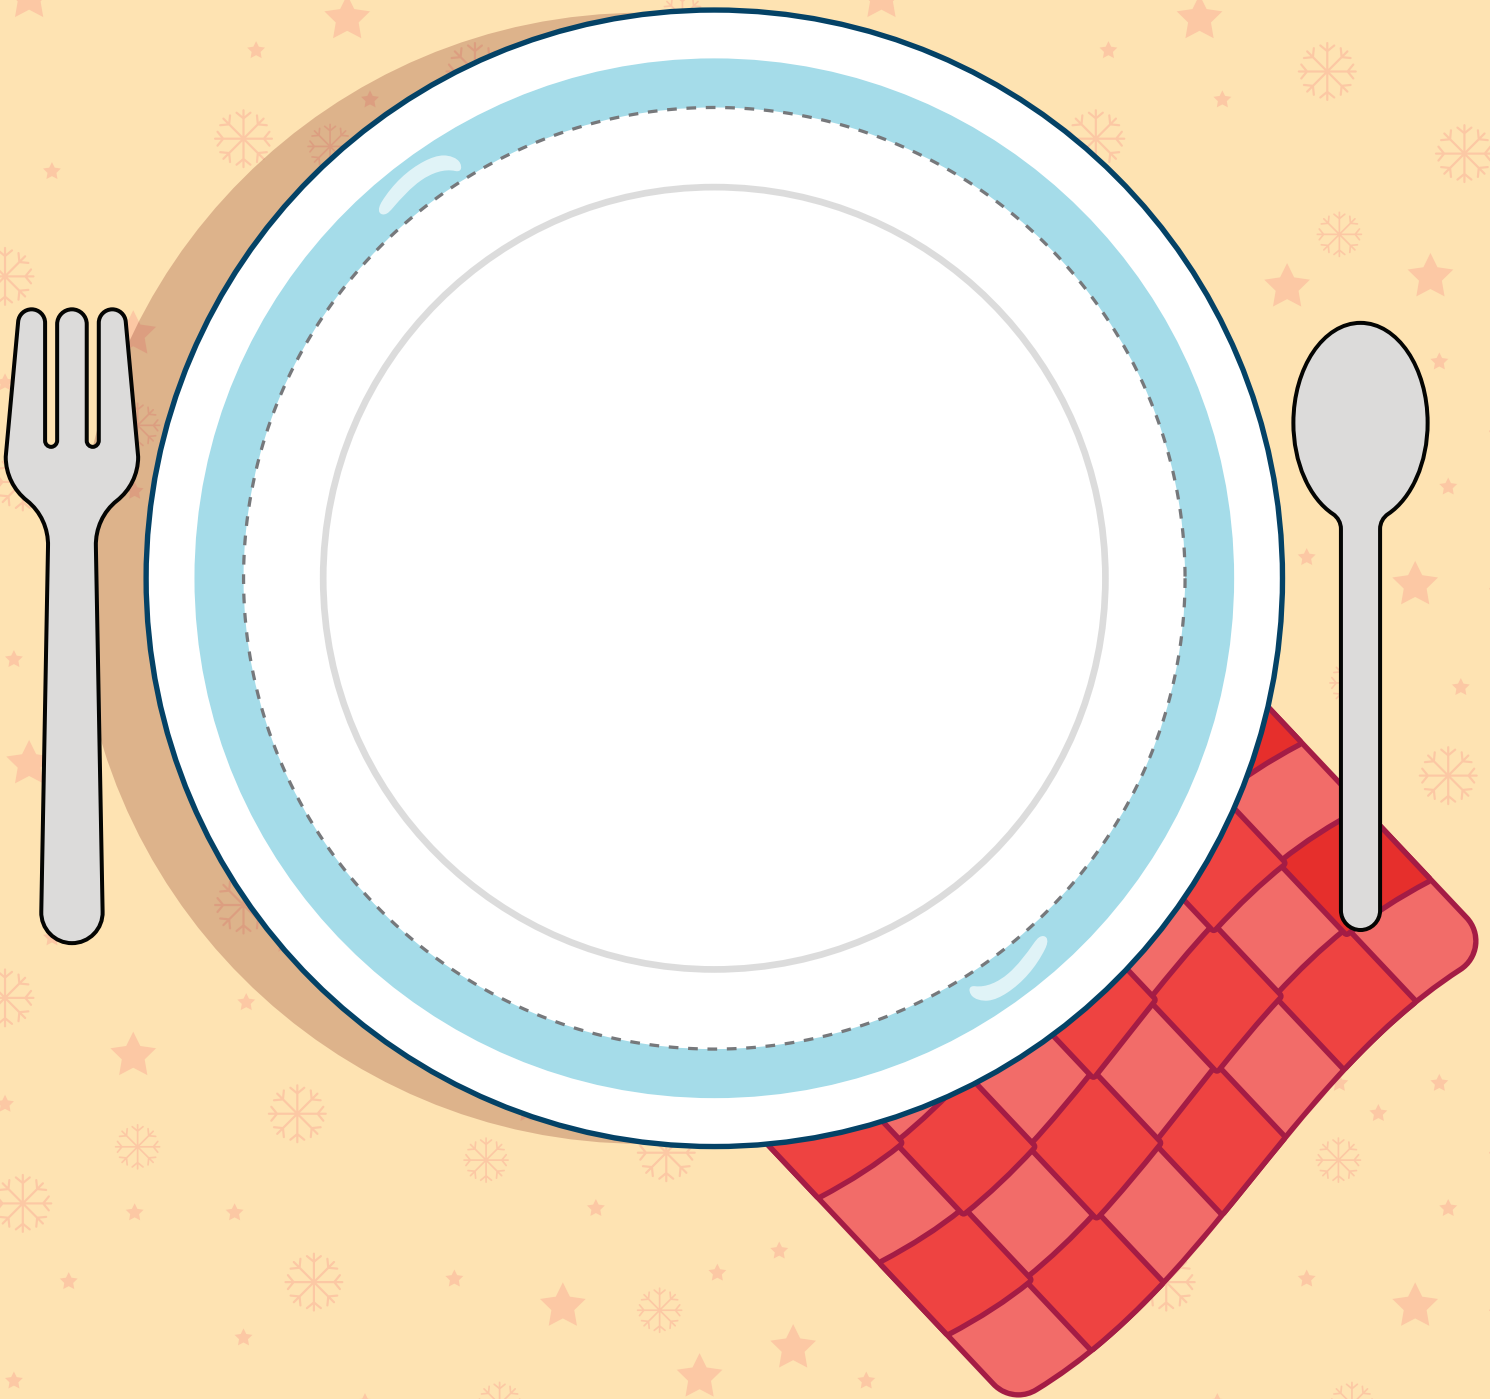

Print this activity  
by scanning the code!

# NEW YEAR'S EVE

Name: \_\_\_\_\_

What do you want to eat on New Year's Eve? Draw your dream food!

## Development Areas

- ★ Creativity
- ★ Visual perception
- ★ Fine motor
- ★ Imagination
