(Free and download) 0 of 0 review helpful Most useful college textbook for design students By Grace This book was one of the most helpful books I used while getting my interior design degree It has codes ADA standards and history of furniture and architecture It s by far the biggest textbook I had to use in college but highly recommend it for anyone who is getting their design degree even if it s not required it really is the only book This books is always there in my bag. So anytime it was easy for me to read **Time-Saver Standards for Interior Design and Space Planning** despite having read repeatedly.
