

	Free TON DevOps Jury Contest
Name	Alexey Novikov
E-mail	alex@asnovikov.ru
Telegram ID	@anovi
Github ID	https://github.com/asnov
Professional Experience	<p>MCP, MCSE, MCSE+I, MCT 20+ years of DevOps experience Head of Russ-Bank server core team (now it is RGSbank). Distributed database and application cluster: Oracle, bank app, 40+ locations, 2000+ desktops. Head of Infrastructure department in Capital-strakhovanie. 45 employees. Freelancer since 2014</p>
Proof of qualifications (links to open-source projects, etc)	<p>https://github.com/asnov/FreeTON_timer https://github.com/asnov/SMV-Smart-Contract-System</p>
Achievements in the Free TON community	<p>Ludi game winner. I was in top-10 of game2 and didn't get stake during first 20 minutes of the last round. Then 40+ nodes was stopped, I lost the round and I fell back to 50+ place. I'm a member of main governance jury, taking part in DevEx subgov, DeFi.</p>
How you imagine DevOps SG jury work	<p>I'm a geek. :) I'm delivering validator node support service for outsource so I follow all the achievements of DevOps sub governance and I will study carefully all contest submissions.</p>
Disclose the organisations/the companies you are working for (blockchain related)	<p>I'm independent, collecting my own team.</p>
Additional Information (add anything that you consider relevant)	<p>now I am a freelancer. I left a big city for a village to live with my wife and three small daughters.</p>
