Jury Rewards

10% of the total contest reward amount divided among jurors who vote and provide feedback (both are necessary to receive the reward) on the basis of relative number of votes cast, i.e., distributed based on the number of votes each juror provides. For example, if one juror votes for 20 submissions and another juror votes only 5 times, the juror who votes 20 times will get 4 times more tokens than the juror who votes 5 times.

Voting

- Members of the jury who will participate in this contest cannot vote for their own submissions and should choose "Abstain". This will be checked.
- Each juror will vote by rating each submission on a scale of 1 to 10, or may choose to reject or abstain. If you are participating in the contest, please vote "Abstain"for your own submission and leave a comment stating that you are participating.
- **The minimal score threshold is an average score of 5 or greater. Any acreage score that is less than 5 is considered as rejected.**
- To evaluate the work of the participants, the jury members must read each application in detail and leave a comment that reflects their having understood each contestants' submission, i.e., nonspecific comments should be avoided. Each contestant must understand why they received the score that they did.
- Jurors are responsible for matching contestant IDs (see below under "**Procedural Requirements**") to their submissions. If a match cannot be made, jurors can reject the submission.

Procedural Requirements

- Participants must upload their submissions in PDF format. Any external links to their submission should be within the PDF. Failure to do so renders the submission as rejected.
- Every contest submission must have your Telegram ID for 2 reasons: 1) to match your ID to your submission, 2) in order to invite you to the Winners chat group once the contest is over (see "**Other**" below).

Other

Once the contest is complete and the winners are announced, a Telegram group chat will be created where the winners can ask questions and discuss details in preparation for the event.
