

Free TON Blog Contest

Short description:

Creation of a blog for the Free TON community, its content and maintenance.

Type:

Contest

Contest entry period:

October 7, 2020 - October 20, end of day UTC.

Motivation:

Creation of a blog for the Free TON community, in order to popularize the project news via SEO.

Requirements and tools:

- [Logo](#) and patterns;
- Use the style of Free TON (website, Surf, etc);
- Comments and likes as key features.

Evaluation criteria and winning conditions:

- Blog must have at least 30 articles or more
- Must be published and available for review
- The blog must have a personal account with the possibility of authorization
- Compliance with brand identity
- The winners should provide the original sources of blog
- Multilingual blog
- Telegram ID to prove your identity

Voting:

- Jurors will vote for your submission. Jurors whose team(s) intend to participate in this contest by providing submissions of their own lose their right to vote in this contest.
- Each juror will vote by rating each submission on a scale of 1 to 10 or can choose to reject or abstain.
- Rewriting and original content as a plus.
- Jurors should provide feedback to your submissions.
- Duplicate, sub par, incomplete or inappropriate submissions will be rejected.

Reward:

1st prize..... 45,000 Tons
2nd prize..... 25,000 Tons
3rd prize..... 15,000 Tons
Runners up from 4 to 10th place..... 5,000 Tons each

Jury rewards:

An amount equal to 5% of the sum total of all total tokens awarded to contest winners will be distributed among jurors who vote and provide feedback. This percentage will be awarded on the following basis:

The percentage of tokens awarded to the jury will be distributed based on the number of votes each juror casts.

For example, if one juror votes 50 times and another juror votes 5 times, the juror who votes 50 times will get 10 times more tokens than the juror who votes 5 times.

Feedback is mandatory in order to collect any rewards.

Disclaimer:

Anyone can participate, but Free TON cannot distribute Tons to US citizens or US entities.
