

## **Exclude @pastor\_tsong from the W&D sub-governance**

**Type:** Proposal

**Motivation:** [After two contests](#), there was serious backlash from the community. As an initial member of the W&D subgovernance, I think we should listen to the community and support the reputation of Free TON contests as a fair and transparent instrument of benefiting the Community as well as rewarding talented and hardworking professionals.

**Topic:**

The work of the judges is terrible. Rewarding plagiarism and giving low marks to unique works is your calling card.
