Greetings! This course was prepared by the friendly team from SubGovernance - Influencers especially for beginners. This is an introduction to the Free TON project. The course covers all the questions and problems that arose when we first came to the project, all the subtleties and points that are incomprehensible to many beginners, and all the nuances are described.

We believe that every beginner, having familiarized himself with this course, will easily break into the project and immediately show his asset, helping all of us to popularize and improve the Free TON project.
