# Powerful DeFi management platform with Telegram bot interface

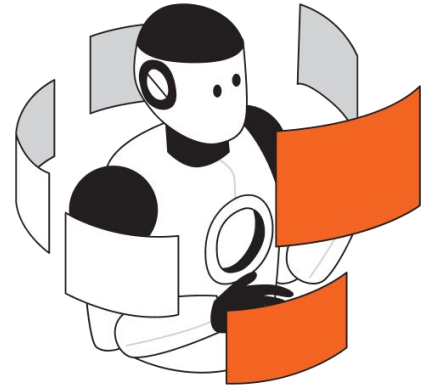

Project(“DMT Bot”) by Ruslan Galimov

---

# What is DMT Bot?

This is a platform with several top notch features for interaction with DeFi protocols and market key indicators monitoring system for inexperienced and professional users.

As one of the major feature of the platform is an interface, users are welcome to interact with platform through Telegram Bot.

# DeFi market

**\$13,6 bln.**

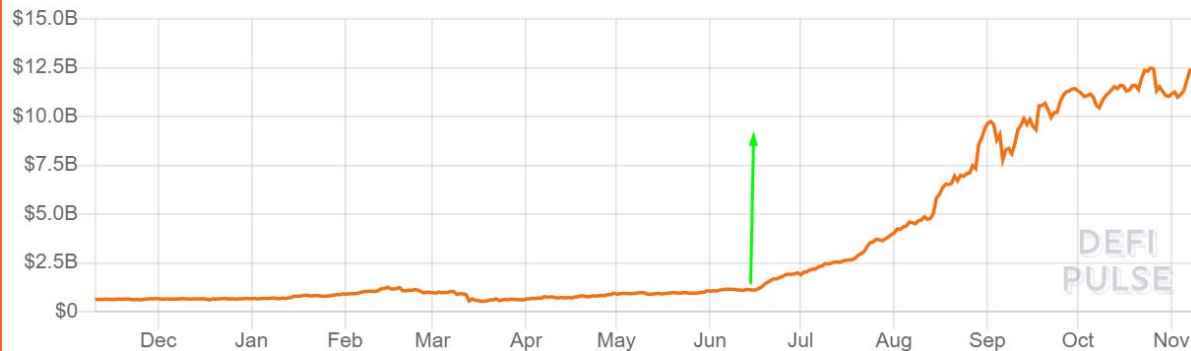

Circulates in the DeFi sector in different projects (as of November 16, 2020)

The catalyst for the growth of interest in DeFi was the introduction of a decentralized management system for the Compound platform using **governance tokens**, which are distributed among Compound active users and allow them to take part in its management and participate in the distribution of profits.

## Total Value Locked (USD) in DeFi

[TVL \(USD\)](#) | ETH | BTC

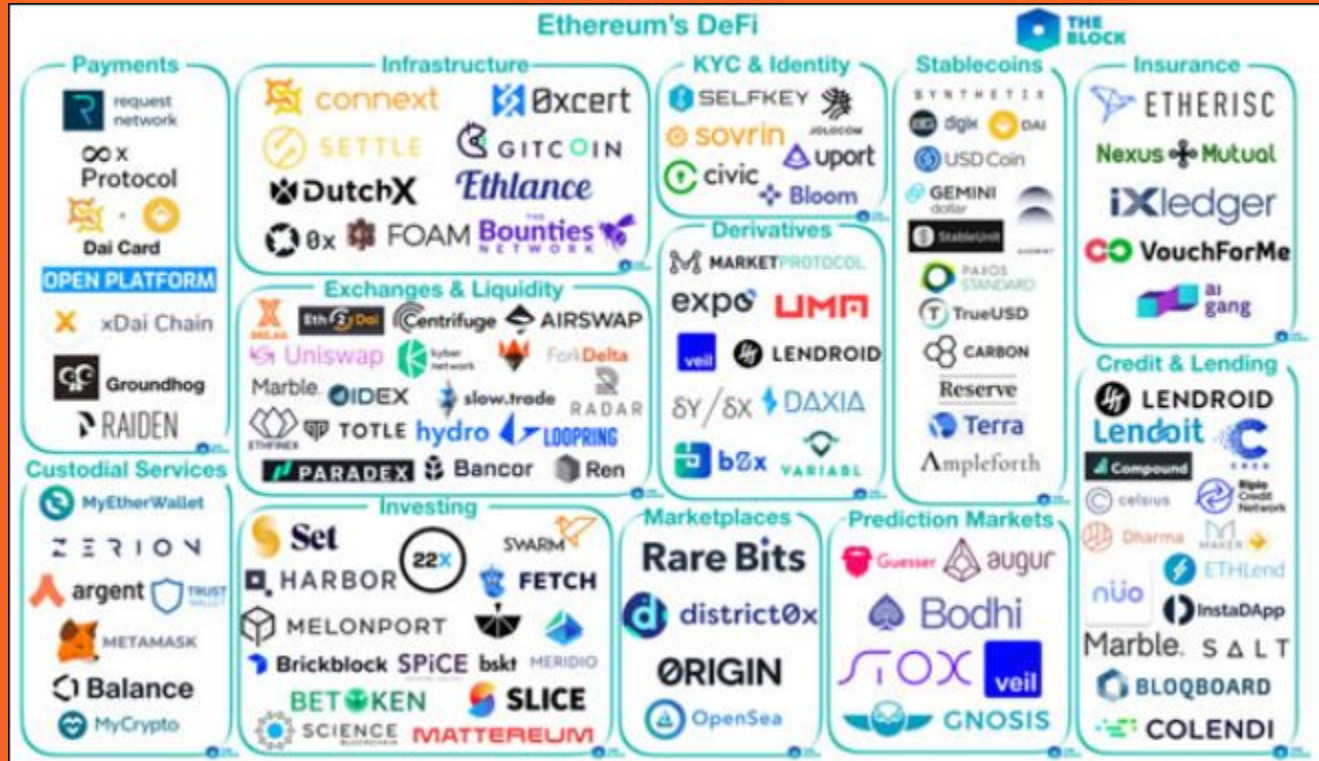

All | [1 Year](#) | 90 Day | 30 Day

**13X+**

In 5  
months

# DeFi market. Apps

# Key features

- Monitoring system with notification about anomalies on the market (incl. prices)
- Customizing of the monitor parameters
- Connection to the popular DeFi protocols (user can deposit and withdraw tokens in a few DeFi protocols)
- Monitoring the movement of funds (user can add any Ethereum address)
- Market news publications

# Business model

That's simple and profitable!

Full version of the DTM Bot is accessible with subscription plan.

Today the DMT Bot is a profitable product.  
We are growing and developing!

A man with dark hair and glasses is sitting in a black office chair at a desk. He is wearing a dark grey hoodie with a colorful graphic on the front. The desk has a computer monitor showing lines of code, a keyboard, and some cables. A shelf with various items is visible in the background.

## Ruslan Galimov – DMT Bot founder

Russian entrepreneur, 25 y.o.

10+ Years IT development experience.

Full platform development.

## FreeTON Integration

DMT Bot is a perfect platform to integration with FreeTON blockchain ecosystem.

We will be happy to provide FreeTON community all functionality DMT Bot has to help all users interact with FreeTON blockchain and get market insides!

DMT Bot adds FreeTON in the list of the supported blockchains. All user will get news about FreeTON project with ability to buy a TON Crystal.
