

# Proposal: Add @mzonder to Web & Design Subgovernance Jury

## Type

Proposal

## Motivation

New Year greeting cards contest had a peak number of submissions - 276. One of the community members, @mzonder, collected all the works in one Figma file as a gesture of good will - to help WD Jury with the voting process.

While having collected all the submissions in one file, @mzonder also made a quick check of them marking the one that were built on stock images with red, yellow for those who didn't have a Twitter link in PDF, green for submissions without images in PDF (what was a part of the contest requirements).

After the voting process was over, @mzonder has also created <https://tonsubm.ru/contest-postcards2020> which shows the results of the voting within cards' contest.
