

Tract CREATOR CAMP

Week 1 Beginner

Learn the basics of video creation through fun & easy projects, like vlogs and reaction videos!

Schedule 9am CST Camp Kick Off

Start the day with an interactive livestream to learn what you'll be creating

3pm CST Share Your Creations

End the day showing off your skills and what you made!

Monday June 27

Videos About Yourself

Let your fellow campers get to know you by making a video about your life or your interests, whether you decide to vlog your morning routine, list your top 10 favorite foods, introduce your pets, or do a house tour!

Tuesday June 28

Compilation Videos

Compilation videos are some of the most viral videos out there! Learn how to download videos from the Internet and combine them into highly entertaining compilations. Will you compile memes, movie clips, sports videos, fail videos, oddly satisfying videos, funny pets, interesting facts? The sky's the limit!

Wednesday June 29

Reaction Videos

People love watching react videos, and they're so easy to make! Pick a funny or popular movie, TV show, YouTube video, or music video and film you & your friends watching it for the first time! Then edit down your video so you just show the most entertaining reactions!

Thursday June 30

Gaming Videos

Calling all gamers! This is your chance to have fun playing your favorite video games and practice your creator skills at the same time. Create a gameplay video, review a game, or show what a game would be like in real life!

Friday July 1

Music Videos

Embrace your inner pop star! Make a music video for your favorite song, sing a cover, showcase your instrument, or create a lyric video! You can even make a dance video or a lip sync video!

Tract CREATOR CAMP

Week 2 Intermediate

Build your video skills by creating more complex projects, like skits, reviews and tutorials!

Schedule 9am CST Camp Kick Off
Start the day with an interactive livestream to learn what you'll be creating

3pm CST Share Your Creations
End the day showing off your skills and what you made!

Monday July 4 Independence Day

Creator Camp will be taking a break while we watch fireworks!

Tuesday July 5 This Skit is Lit

Flex your storytelling skills by coming up with a short comedic skit, which you will film and edit using the editing program of your choice. If you don't have any actors, never fear – you can always play multiple characters yourself!

Wednesday July 6 Make Up Your Mind! The Art of the Review Video

Want to share your thoughts on the last movie you saw or the book you're reading? Have some opinions on a restaurant you've eaten at or a game you've been playing? Today's all about weighing the pros and cons to help other consumers make better decisions!

Thursday July 7 How to Do Anything! Tutorials & How-Tos

Time to teach the world how to do something! Do you know how to use a cool software program? Have some DIY Life Hacks up your sleeve? Or maybe you're great at doing makeup or playing a sport? Whatever your skill, today you'll try your best to teach it to your viewers!

Friday July 8 Making Hilarious Fake Advertisements

Pick any product or service, real or imaginary, and make a spoof commercial to advertise it!

Tract CREATOR CAMP

Week 3 Advanced

Learn advanced creator skills like stop-motion animation, motion graphics, and special effects!

Schedule 9am CST Camp Kick Off

Start the day with an interactive livestream to learn what you'll be creating

3pm CST Share Your Creations

End the day showing off your skills and what you made!

Monday July 11

Use Sound Effects Like a Pro YouTuber

Sound effects can add a ton of entertainment value to your videos! Learn how to use them effectively and make a short video featuring as many sound effects as possible – or add sounds to a video you already made!

Tuesday July 12

Intro to Stop-Motion Animation

Grab some playdough, LEGOs, action figures, or a whole stack of paper, because you'll be creating turning still images into mesmerizing animations! Create an original short film, or use your new skills to add animation to a video you already made!

Wednesday July 13

Create eye-catching text for your videos!

Learn some easy techniques for creating bold and professional text and how to use it to enhance any video! Test it out with a new project or enhance one of the videos you've already made!

Thursday July 14

Hollywood Filmmaking and Special FX

Learn how to use filming and editing tricks to add amazing special effects to your movie! Use what you learned to create a short movie from scratch OR to level up one of the videos you already made!

Friday July 15

Making the Ultimate Thumbnail

Pick your favorite videos from Creator Camp and learn how to make the PERFECT thumbnails for them!
