

Thank you for your interest in Carroll Park!

To get started, the first step is for the Buyer to attend a Homebuyer Information Session. There are webinar and in-person options. The sessions are listed on the CLT's Eventbrite page, which can be accessed under the **Events** tab on their website:

- Link to Website => <https://fortworthclt.org/>
- Link to Events tab => <https://www.eventbrite.com/o/fort-worth-community-land-trust-106508731471>

Another option is for the Buyer to scan the QR code below to register:

After the session, Saida Santiago, the CLT Stewardship Manager, will collect an intake Form from the Buyer, guide them through the income verification process and provide Lender options.

**Once fully approved, the Buyer will be returned to the Realtors to select a unit, schedule showings, inspections, orientations and so on.**

Don't hesitate to contact me or Saida directly with questions. **Saida 817.710.5811.**
