We take every care and attention to identify the allergens that are in our ingredients, but unfortunately it is not possible to guarantee that any product is 100% free from any allergen due to our busy kitchen, and the risk of cross contamination of allergens and traces during cooking and preparation processes. This includes items that are cooked in our deep fat fryers where ingredients that include gluten have also been cooked. Our deep fat fryers contain refined rape seed oil. Please inform your server of any allergies or intolerance before you order.
