Detailed Allergen and Calorific information is available online at viewthe.menu/iwny

We take every care and attention to identify the allergens that are in our ingredients, but unfortunately it is not possible to guarantee that any product is 100% free from any allergen due to our busy kitchen, and the risk of cross contamination of allergens and traces during cooking and preparation processes. Weights stated are approximate uncooked weights. Calorific information and nutritional data is taken from information provided by suppliers and manufacturers and spot checked using laboratory testing. Adults need around 2000 kcal a day.
