Please ask for today's flavours (three scoops) 245 kcal

## BRITISH ARTISAN CHEESES

### **Three British Artisan Cheeses £11.00**

Tunworth, Colston Bassett, Rutland Red Leicester 635 kcal

**We recommend you eat your cheeses in the following order; from light to strong:**

**Tunworth:** pasteurised, cows milk, animal rennet.

Made by Stacey Hedges at Hampshire cheese company in Herriard.

A British made cheese in a Camembert style. Fruity and rich with a lingering mushroomy flavour.

Raymond Blanc says "it's better than French Camembert" - enough said!!

**Colston Bassett:** pasteurised, cows milk, vegetarian rennet.

Made by Billy Kevan and team in the small village of Colston Bassett, Nottinghamshire.

Matured for 8 weeks. Creamy, rich with a mellow blue flavour probably the best stilton made!!

Cheese fact - It takes 136 pints of milk to make one whole 8kg cheese.

**Rutland Red Leicester:** pasteurised, cows milk, vegetarian rennet.

Made in Leicestershire by Long Clawson Dairy who are also one of the six licensed blue stilton makers, this is the only pasteurised Red Leicester produced in the county of Leicestershire.

Wrapped in cheesecloth, coated in butter and matured for at least six months, it has a flaky, open texture with a slightly sweet caramelised flavour. Cheese fact - gets its orange colour from Annatto taken from the Achiote tree which is found in South America. It's also multi-award winning, with 3 Golds at the Global Cheese Awards and 4 Golds at the International Cheese Awards.

(v) Suitable for vegetarians (ve) vegan (gf) gluten free

We take every care and attention to identify the allergens that are in our ingredients, but unfortunately it is not possible to guarantee that any product is 100% free from any allergen due to our busy kitchen, and the risk of cross contamination of allergens and traces during cooking and preparation processes. Weights stated are approximate uncooked weights. **For allergen information please scan the QR code.** Calorific information and nutritional data is taken from information provided by suppliers and manufacturers and spot checked using laboratory testing. Adults need around 2000 kcal a day. Our staff receive 100% of any tips. Service is not included. AW23HBPB3
