Uncle Joe's Storybook – Privacy Policy

There is no personal data associated with the use of this application.

You or your child are not prompted for name, age, or any information whatsoever.

The only audible prompts required are for choosing and reading a story.

This application is hosted by Google and uses their technology to develop and run Uncle Joe's Storybook.

 I am not receiving payment for any of my time or labor from Google or anyone else to develop and maintain this application and its stories.

I hope you and your child enjoys my handiwork.
