

A topographic map of a coastal region, likely in Norway, showing a river flowing through a town. The map is color-coded with green for forested areas, orange for open land, and blue for water. Black squares represent buildings. Twenty numbered points, each enclosed in a purple circle, are marked across the map. The points are distributed as follows: 1 and 2 are in the bottom left; 3 is in the bottom center; 4, 5, and 6 are along the river in the lower middle; 7, 8, 9, 10, 11, 12, and 13 are in the upper right; 14, 15, 16, 17, 18, 19, and 20 are in the center and left-center. A large red-bordered box on the left contains the event title, and a smaller red-bordered box below it contains map details.

Naturfestivalen 2020
